

# HEALTH & SAFETY POLICY

## Health and Safety Policy

The Adelaide Hills Four Wheel Drive Park is committed to providing a safe environment for all visitors and staff. To achieve this, we have implemented the following health and safety policy:

**Compliance with the Safe Work Act and government requirements:**

All staff must comply with the Safe Work Act and all other relevant government requirements, including regulations related to health and safety. The park management will support all acts and regulations to the best of their knowledge.

**Risk assessment:** We will conduct regular risk assessments to identify potential hazards and implement appropriate measures to mitigate or eliminate them.

**Training and education:** We will provide our staff with appropriate training and education to enable them to identify and manage risks effectively.

**Reporting of incidents and accidents:** All incidents and accidents, no matter how minor, must be reported to park management as soon as possible. This will enable us to take appropriate action to prevent similar incidents from occurring in the future.

**Emergency response procedures:** We have established emergency response procedures to ensure the safety of visitors and staff in the event of an emergency, such as a fire or medical emergency.

**First aid:** We will ensure that adequate first aid equipment and trained staff are available on site at all times.

**Safety equipment:** We will provide appropriate safety equipment for staff, such as personal protective equipment and safety harnesses, where necessary.

**Regular inspections:** We will conduct regular inspections of the park to ensure that all facilities and equipment are safe and well-maintained.

**Visitor safety:** We will take all reasonable steps to ensure the safety of visitors, including providing clear safety information and guidance on the safe use of the park.

**Continuous improvement:** We will continually review and improve our health and safety policies and procedures to ensure that they remain effective and relevant.

By implementing this health and safety policy, we aim to create a safe and enjoyable environment for all visitors and staff at the Adelaide Hills Four Wheel Drive Park.
