

Littering is a serious environmental issue that impacts the health and safety of communities, as well as the planet as a whole. In order to discourage littering and promote responsible waste management practices, it is important to have a clear policy on littering fines:

Littering is strictly prohibited in all areas within the Adelaide Hills 4WD Park and offenders will be subject to a fines.

The fine for littering will be \$100 per offence. Repeat offenders may be subject to higher fines and/or additional penalties.

Failure to pay the littering fine may result in being asked to leave the Park
